25X1 1. The table below shows the status of exports from the Russian Zone as of 3 May 1947. The figures are those for exports arranged by German firms themselves and do not include any export through Masno Export or other Russian agencies. The German firms are allowed to negotiate contracts but the final decision in each case rests with the head of the Export Section of the Foreign Trade Division of SMA. Prices are calculated at the rate of one U.S. dollar = 2.50 RM.
